

## About nVision

Our goal of nVision is to bring together thought leaders from the region to collaborate, strategize and discuss the future of technology. Topics such as security, cloud, IaaS and backup

storage have been the highlight of sessions in the past and are still front of mind for many people. Sponsors will have the opportunity to network with the region's executives, IT professionals

and decision makers. Join us for a chance to learn valuable information and find inspiration moving into 2024, and for years to come.

The conference will be held Thursday, November 9, 2023, from 8:00 a.m. - 5:30 p.m. at the Holiday Inn, with an evening social the night prior, Wednesday, November 8, 2022 from 5:00 p.m. - 7:00 p.m., also at the Holiday Inn.
